

Our world is ruled by a fascist coalition led by the American empire. America is a nation unlike any other; from its very beginnings it is a land built on genocide, on slavery, on imperialism. As a result, it cannot be "fixed"; it cannot be "reformed". The well was dug on poisoned ground; we must stop drinking from it.

Sustainable good is impossible in the current political & social system. All ostensible progress is hampered at every step by bad actors & opponents; in time it is reversed, or perverted into new forms of oppression & capitalist exploitation. All the while our world is hurtling towards its end: all around the world the climate apocalypse is apparent. We feel its effects even here, and they will only grow more prevalent the longer we remain on our current neoliberal-plotted course.

For a just world, for a sustainable world, for peace & joy & the enrichment of all humanity, the politics of communism are the only way forward. Our time has already run out; but we can build a future for the people after us, for the generations to come. *The time for revolution is now, and every moment henceforth.*

THE TIGER IS A MAN-EATER,
WHETHER IRRITATED OR
NOT.

*EITHER
KILL THE
TIGER OR
BE EATEN
BY HIM --
ONE OR
THE
OTHER.*

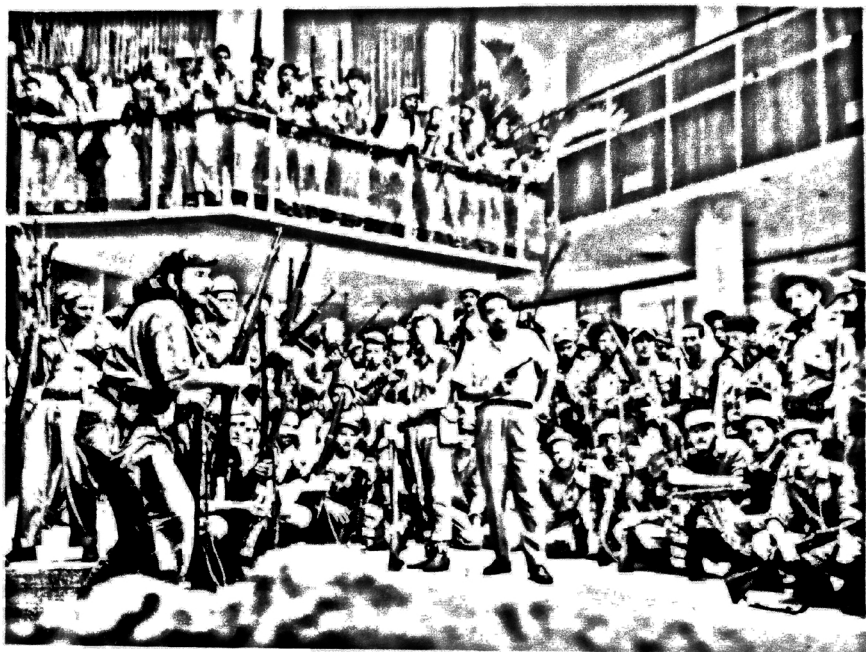

ONE MUST FEEL INTENSELY THE INDIGNITY OF OUR SOCIAL WRONGS; ONE'S VERY BEING MUST THROB WITH THE PAIN, THE SORROW, THE DESPAIR MILLIONS OF PEOPLE ARE DAILY MADE TO ENDURE.

SOCIALISM IS NOT A FREE GIFT WHICH PEOPLE HAPPEN TO FIND IN THEIR PATH. NEITHER IS THE LIBERATION THAT ACCOMPANIES IT. ATTAINING IT MEANS POSTPONING SOME PRESENT POSSIBILITIES IN EXCHANGE FOR FOUNDING A MORE HUMANE, RICHER AND MORE JUST SOCIETY FOR THE FUTURE.

**HOLD THE GUN SO TH-
AT THE GENERATION
AFTER YOU CAN HOLD
THE SICKLE**

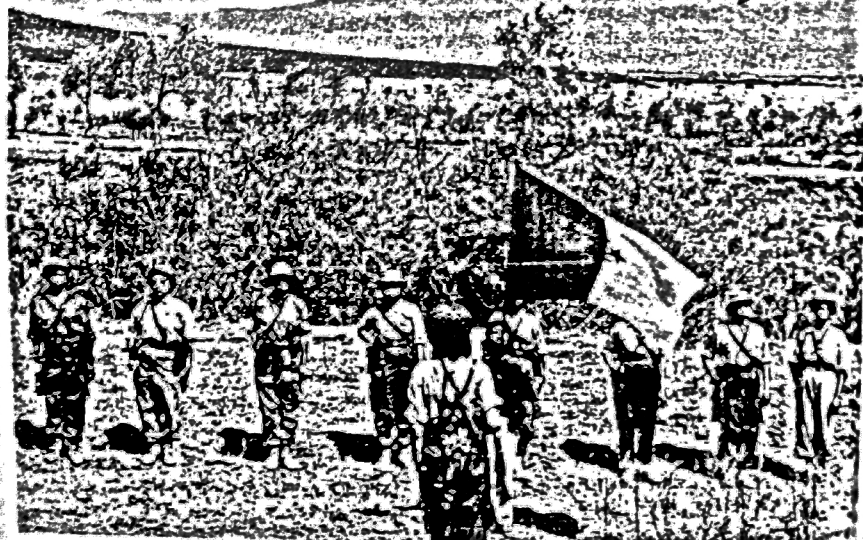

**I RISE UP ON BEHALF OF ALL WHO SEEK
IN VAIN ANY FORUM IN THE WORLD TO
MAKE THEIR VOICES HEARD AND TO
HAVE THEMSELVES TAKEN SERIOUSLY.**

...Understand that revolutions and revolutionary wars are inevitable in class society and that without them, it is impossible to accomplish any leap in social development and to overthrow the reactionary ruling classes and therefore impossible for the people to win power.

In most areas of the USA it is possible to murder a man & when one is brought to trial, one has only to say that the victim was a queer & that he tried to touch you & the courts will set you free. When I read the newspaper article I felt something stirring in my hands; I felt a sensation like seeing oneself from miles above the earth or looking at one's reflection in a mirror through the wrong end of a telescope. *Realizing that I have nothing left to lose in my actions I let my hands become weapons, my teeth become weapons, every bone & muscle & fiber & ounce of blood become weapons, & I feel prepared for the rest of my life.*

THREE HUNDRED BILLION DOLLARS COULD BUILD 600,000 SCHOOLS, [FOR] 400 MILLION CHILDREN; OR 60 MILLION COMFORTABLE HOMES, FOR 300 MILLION PEOPLE; OR 30,000 HOSPITALS, WITH 18 MILLION BEDS; OR 20,000 FACTORIES, WITH JOBS FOR MORE THAN 20 MILLION WORKERS; OR AN IRRIGATION SYSTEM FOR 150 MILLION HECTARES OF LAND -- THAT, WITH THE APPLICATION OF TECHNOLOGY, COULD FEED A BILLION PEOPLE.

IN A SOCIETY WHERE CLASS STRUGGLE EXISTS, IF THERE IS FREEDOM FOR THE EXPLOITING CLASSES TO EXPLOIT THE WORKING PEOPLE, THERE IS NO FREEDOM FOR THE WORKING PEOPLE TO NOT BE EXPLOITED.

THE WOMEN'S "BATTALION OF DEATH" IN NATIONAL DANCE

A unique outgrowth of the Russian revolution was this organization of women, which came into prominence at the beginning of the break-up of the Russian front.
